BOUTIQUE HOTEL

Less than four miles from Manchester Airport and just minutes away from Wilmslow's bustling town centre, Rylands Farmhouse is the perfect destination for your next countryside escape.

Combining rustic spaces with modern décor, we established our boutique Bed & Breakfast to offer our guests a unique alternative to typical hotel accommodation. Our rooms are cosy, charming and welcoming, whilst still providing all the modern luxuries you'd expect from a hotel experience.

We offer free parking for the duration of your stay and complimentary WiFi across the property for your convenience.

Rylands Farmhouse provides you with the ideal base from which to explore the lively Manchester city centre or the beautiful rolling countryside of Cheshire - or why not both?

Venue Amenities

Both our hotel and our tipi at Rylands come with all the bells and whistles. We offer an exclusive package which combines the hire of both facilities; this includes the tipi space and our lovely boutique hotel (all 12 bedrooms). The package also includes a delicious, home-cooked breakfast for all the guests staying in the hotel.

We are a short taxi ride from Manchester Airport, therefore ideal for an overnight stop-off before a flight, and three miles from Wilmslow train station. We also have ample onsite parking for those taking the scenic route through the Cheshire countryside by car.

WHAT IF IT RAINS?

Our tipis are crafted here in the UK, are manufactured using the latest construction techniques and use the very best materials on the market, making them the strongest manufactured tipis available. As standard, heaters are provided for the cooler months.

They are fully durable to provide warmth in the winter, coolness in the summer and remain completely dry when it rains. During sunny periods, we can raise the panoramic sides of the tipis to maximise space and sunlight exposure.

HAVE WE GOT CAR PARKING?

We have a designated car park with facilities for at least 30 - 35 cars.
